[ABOUT US](#)

This Is The Bundy-McNear Insurance Agency, Inc.

Bundy-McNear Insurance Agency was established in 1933 by H. G Bundy, after purchasing the insurance business of the Lafayette based Fouts Realty Company. Through the years, with experience and continued professional insurance education, our company has grown to be a full service Property & Casualty agency. Just as the Bundy-McNear family before us strived to service both personal and commercial insurance needs, we continue to honor the importance of the things most important to you. Our professional associates use attention to detail and one on one personal service to tailor policies to the needs of our clients. Bundy-McNear Insurance prides itself in being the agency of personal service; service specifically designed to reduce your losses and control your insurance costs.
